Associations

In2Cricket & T20 Blast are under the umbrella of the Western Australian Cricket Association (WACA) Our Junior competition is part of the newly incorporated Central Junior Cricket Association (CJCA or Central CJA - formally the Bayswater Morley / Mt Lawley Joint Junior Cricket Council). Girls U13, U15 & U18 Comp is run by the WACA. The governing body is the [Community Junior Cricket Council](#) (CJCC).

In2Cricket & T20 Blast

Friday evenings at Pat Goodridge offer a fun, family-friendly introduction to cricket for children from pre-primary to grade 3, as well as our Girls T20 Competition. From 5 pm until 6/6.30 pm each group participates in skills sessions and short games. There is a sausage sizzle each week. There are 12 playing dates for In2cricket & T20: **13th October 2017** to **23th February 2018** (with a break for Xmas).

In2Cricket	PP – Grade 1 girls & boys. Coordinator: Patricia Lobo
T20 Blast	Grade 2 – 3 girls & boys played in teams of approx 8. Coordinator: TBA
Girls T20 Blast	Grade 2 – 6 girls played in teams of approx 8. Coordinator: TBA (volunteer required)

T20 Blast - sign up as a team (with coach & manager) or as an individual and be placed into a team. **Please indicate any requests to play with friends, team, etc, via the comments field on the electronic enrolment form.**

WDJCC is currently looking to fill paid roles for T20 (mixed & Girls) staff. Training will be provided by the WACA upon appointment. Please contact the club to express your interest.

Year 3 – T20 or U10?

Year 3's have a choice of playing either T20 on Friday night or U10 on the weekend. Parents should be aware that if they play U10, they will mostly be playing against Year 4 teams, and that they will play U10 for 2 seasons. That said, some will be very ready to move on to U10. Last season's Year 3 U10 teams had a great time and their skills improved quickly.

SEASON 2017/18 GENERAL INFORMATION

Girls in Cricket

Building on the success of recent year's programs the WACA are offering a number of girl's competitions and the club are looking for expressions of interests from girls of all ages. Of course, we have some girls already playing in the regular junior competition and this will continue. However, girls of all ages who are interested in **girls-only** competition can contact our Girls Co-ordinator, Margie Oldfield girls@wdjcc.org to register their interest.

Junior Girls Cricket Programs:

T20 Blast	Grade 3-6	Pat Goodridge oval on Friday nights
U13s	Age 11-13yrs (at 1 Sept)	Saturday mornings - Modified rules to encourage full participation
U15s	Age 13-15yrs (at 1 Sept)	Saturday mornings Oct – March More traditional hard ball cricket
U18s	Age 15-18yrs (at 1 Sept)	Saturday mornings Oct - March More traditional hard ball cricket

Junior Grades Cricket

The junior competition caters for 9 – 17 year-olds, with modified rules for each age group. Game time increases progressively with U10s & u11s playing for two hours. U10 and U11 will play under new modified format as outlined in the [Community Cricket info](#) and the [Cricket Australia Release](#) (u10 & u11 applicable this season), and team sizes will be a bit smaller than previous years. Game format and team size for U12s will be unchanged from last year. U13s – U18s play for points and have a final series. Details of rules for each age group can be found [here](#). See info about information sessions below.

In 2016/17 the club had 27 junior teams, 13 of them being U10 and U11 age groups. Season starts on the weekend of the **13th & 14th of October (tbc)**. Please note that for U13 and above, there may be some games scheduled in January.

Formation of Junior Teams

The club forms teams based on the requirements of the game. As in any team game, team numbers are critical to the success of the season. Where requested the club will try to keep previous year's teams together and are happy to try to accommodate requests based on friendship and school groups, but it is actually easier to accommodate requests to play with 2 or 3 friends rather than 8. However, parents and players must bear in mind that we need to be inclusive to new members, allocate all players to a team and balance numbers across teams. For these reasons we can't please everyone. We ask parents to be mindful of this and reasonable in their expectations.

Please indicate on your enrolment any requests to play with friends, and indicate your coach/team from last season, via the enrolment comment section rather than a separate email.
You can go back on and update your comments/requests after enrolment if need be.

Player's Age Restrictions

The CJCC's ruling on player age restrictions is: each age competition shall be restricted to players no more than 2 years under that age as at 30th June in the year the season commenced. There are some exceptions, for example girls playing in the regular comp can play 2 years below their age group. Contact the club if you require clarification.
